### ••• Durable, beautiful laminate flooring with enhanced walking comfort

Thanks to extremely good pressure resistance, EGGER SILENZIO® SYSTEM UNDERLAYS are ideal for use with all types of glueless Clic laminate flooring. This ensures outstanding flooring stability and pleasant walking comfort!

With EGGER SILENZIO® SYSTEM UNDERLAYS, ambient and impact sound are effectively and significantly reduced for pleasant room acoustics!

**Ambient sound:** The audible sound that results, for example, when walking across a floor in a room.
